HOLLAND TRADING BV

Mercedes-Benz Nordmeyer DSB2V Mercedes 2624 - 6x4

General characteristics

Brand	Mercedes-Benz
Subcategory	Drilling rig
Year of construction	1977
Date of first registration	18-02-1977
Condition	Used
General state	Good
Fuel	Diesel
Reference	169463

Properties

Single weight	18.050kg
GVW	22.000kg
Cylinder capacity	11.502cc

Description

Earth Drill Rig On Truck Manufacturer: Mercedes Benz Type: LK 2624 / 6x4 Year of construction: 18-02-1977 Own weight: 18.050 kg Registration certificate: Germany (selbstf Arbeitsmach Bohrgerat DA72) Drill installation: Manufacturer: Nordmeyer Type: DSB2.V Mast length: 8.40 meters Extension piece Lier: 4.10 Meter Mast Total: 12.50 Meter Workable length: 6.40 meters Permissible hook / crown load: 20-25 tons Hydraulic PU: 0-8000 Kg Hydraulic PD: 0-4000 Kg Speed PU: 30 M per Min. Speed PD: 57 M per Min Drill motor: Manufacturer: WNH Type: KSP-7 Drive: 1 stepless hydraulic motor Transmission: Variable 3 corridor Transfer: 0-80 / 0-170 / 0-375 RPM Power transmission: 1000/460/200 Mkg Winches: WNH - BW2001 - 17.5 KN WNH - BW5000 - 22.0 KN Year of construction: 1977
