HOLLAND TRADING BV

Mercedes-Benz Unimog U1250 Well Drill Brunnenbohr gerat

General characteristics

Brand	Mercedes-Benz
Subcategory	Drilling rig
Year of construction	1991
Date of first registration	01-01-1993
Condition	Used
General state	Very good
Fuel	Diesel

Properties

Single weight	8.500kg
Length	560cm
Width	211cm
Serial number	WDB4271101W165926

Technical specifications

Drive	wheels

Description

Ground Drilling Rig. Mercedes-Benz U1250 Engine: OM366 8-Speed Transmission Odometer Reading: 98,500 km Mast with leader 9.00 meters Hydraulic Winch Drill Head Coil Caprari Hydraulic Coil Pump Pulse Winch with Pulse Eccentric Can also be taken over for an additional charge. Trailer with drill pipes
