HOLLAND TRADING BV

Scania scania DC12 54A Generator set 570 kva marelli

General characteristics

Brand	Scania
Subcategory	Standard power unit
Year of construction	2008
Hours displayed	15000
Condition	Used
General state	Good
Fuel	Diesel
Emission class	stage_3b

Properties

Single weight	4.000kg
Cylinder capacity	12.000cc

Description

Generator set with synchronization unit Engine: Scania Type: DC12 54A Power: 316 kW Fuel: Diesel Engine year of manufacture: 2007 Generator: Marelli Type: MJB-355-SB4 1500 rpm: 550 kVA continuous, 625 kVA peak – 50 Hz 1800 rpm: 665 kVA continuous, 730 kVA peak – 60 Hz Generator year of manufacture: 10-2006 Commissioned: 2009 Equipped with mains transfer (AMF) and synchronization capabilities. Operating hours are recorded in the control computer.
